Speaker

Charles Crabtree

Assistant Professor of Department of
Government, Dartmouth College

Charles Crabtree earned his Ph.D. in Political Science from the University of Michigan and holds Master's degrees from Pennsylvania State University and Northwestern University. From 2021 to 2022, he served as a visiting assistant professor at Stanford University's Shorenstein Asia-Pacific Research Center (APARC) Japan program, where his research focused primarily on discrimination issues within Japanese society. He is currently an assistant professor in the Department of Government at Dartmouth College, USA.

His major research areas include class-based discrimination, censorship, human rights, and repression. He conducts experimental and survey-based research in various countries, including the United States, Japan, and Eastern Europe.
